RE: Mountain Valleys Health Centers
Connected Care Pilot Project Funding

Selection Date: January 15, 2021

Funding Amount: \$550,800

To whom it may concern:

Please be advised that Mountain Valleys Health Centers intends to withdraw from the Pilot Program. We are honored to be selected in the first round of funding, but find that circumstances have changed in the months since our application was submitted in early December 2020. We do not feel we currently have adequate resources and capacity needed to successfully complete the requirements and goals of our funding. Despite the time allowed for project ramp up activities, we would rather decline the funding than not perform satisfactorily.

We hope to apply for future FCC funding opportunities and thank the Connected Care Team for their assistance during this process. If you have any questions, I can be reached at sgerig@mountainvalleys.org or 530-999-0191. Thank you again.

Sincerely,

Shannon Gerig, RN, CEO
